Winter 2012 with Diane Cross & friends

Have fun ice skating with your child. We make it easy with creative play and interactive learning games that teach little ones basic ice skating skills.

Each 7 week session meets once a week, with 1/2 hour class time. When you sign up you'll receive a FREE pass to practice on unlimited public sessions!

For safety's sake, all tots (Age 7 and under) are required to wear helmets (hockey helmets with full face shield are required if wearing hockey skates), and dress in warm, comfortable clothes. We recommend snow pants and a jacket. Oh yes...and don't forget those gloves!
